

DABHI HET BHARATBHAI

FULL-STACK DEVELOPER INTERN

PROFESSIONAL SUMMARY

B.Tech CSE student with hands-on experience in full-stack web development, API integration, and cloud deployment (Vercel & Render). Skilled in React.js, Node.js, MongoDB, and PHP, with a strong foundation in database management and authentication systems. Seeking an internship to apply my web development skills in a dynamic team environment.

CONTACT

Email: imailhetdabhi@gmail.com

Portfolio: <https://portfolio-hetdabhi.vercel.app/>

TECHNICAL SKILLS

- Programming Languages: JavaScript, PHP
- Frontend Development: HTML, CSS, React.js
- Backend Development: Node.js, Express.js
- Database Management: MongoDB, MySQL
- Version Control: Git, GitHub
- Tools & Platforms: Vercel, Render
- API Development: RESTful APIs, Authentication & Authorization Database

PROJECTS

LivMedly

- Project Link - <https://livmedly.vercel.app/>
 - Built a dynamic web app using HTML, CSS, JavaScript, PHP, and SQL with secure authentication.
 - Optimized database queries and integrated APIs for real-time data processing.

Live Weather App

- Project Link - <https://github.com/hetdabhi/live-weather-app/>
 - Created a batch script (.bat) to automate the launch of a weather application, ensuring quick and efficient access.
 - Designed a lightweight, executable script that simplifies running the project without requiring additional software or configurations.

Portfolio

- Project Link - <https://portfolio-hetdabhi.vercel.app/>
 - Created a personal portfolio using HTML, CSS, JavaScript, and SCSS to showcase projects.
 - Integrated GitHub and LinkedIn, ensuring a clean, responsive, and engaging design.

Full-Stack CRUD Operations

- Project Link - <https://client-jet-tau.vercel.app/>
 - Developed and deployed a full-stack web application using React.js, Node.js, Express, and MongoDB, improving CRUD efficiency. Integrated user authentication and optimized API response time, ensuring seamless performance. Successfully hosted on Vercel (Frontend) and Render (Backend) for scalability.
 - Designed a responsive and interactive UI to enhance user experience. Implemented secure API endpoints to protect user data and improve system security.

ACADEMIC HISTORY

Parul University | 2023 - Current

B.Tech - Computer Science Engineering

- **CGPA:** 7.75 / 10

Shreyas Vidhalaya | 2020

10th - Gujarat Secondary Education Board

- **PERCENTILE :** 68.68 / 100

RMS Polytecnic | 2020 - 2023

Diploma - Computer Engineering

- **CGPA:** 8.60 / 10

CERTIFICATION

Computer Networks and Internet Protocol

- This course covers computer network basics, including TCP/IP, DNS, DHCP, IP addressing, routing, subnetting, and security. It provides practical skills for configuring and troubleshooting networks.

Networking Essentials

- This course covers networking fundamentals, including the OSI model, TCP/IP, IP addressing, subnetting, routing, switching, and security. Students learn to configure, troubleshoot networks, and work with DNS, DHCP, VLANs, wireless networking, and firewalls.

KEY EXPERTISE

- Responsive Web Design
- Database Management
- Full-Stack Web Development
- Version Control and Collaboration
- Teamwork and Communication
- Deployment & Hosting

ACHIEVEMENTS

- Designed and developed a personal portfolio using HTML, CSS, JavaScript, and SCSS to showcase projects, skills, and accomplishments.
- Developed & Deployed Livmedly – Built and launched Livmedly on Vercel, showcasing expertise in full-stack web development using modern technologies.
- Built a Full-Stack CRUD Application – Developed a complete CRUD (Create, Read, Update, Delete) application using React.js, Node.js, Express.js, and MongoDB. Deployed the frontend on Vercel and the backend on Render, ensuring a smooth and scalable web experience.

PERSONAL INTERESTS / HOBBIES

- Working on side projects to improve coding skills and contributing to open-source platforms.
- Enjoying multiplayer games like BGMI and COC for fun and strategy development.
- Listening to rap songs for relaxation and creative inspiration.
